Dear Parents / Guardians,

Form 3 English Elite Programme

I am pleased to inform you that your child has been invited to join the F.3 *Power-Up English programme*. This programme focuses on extending students' vocabulary and helping them to express more complex ideas, concepts and opinions clearly. Students will learn about appropriate language and style for particular audiences and developing techniques for writing and speaking well. They will be guided through advanced materials that integrate the four fundamental skills - reading, writing, listening and speaking.

The programme has been developed by two experienced LSKC English language teachers: the NET teacher, Ms. Christine O'Callaghan, and Ms. Lam Siu Man, to stretch and challenge the language skills of more capable students.

At the completion of this programme the students will contribute to an anthology showcasing the best of their written pieces developed throughout the year.

The programme runs throughout this academic year.
